DEDICATION

TO OUR ADVERTISERS

We, the Senior Class of Beggs High School of 1967, dedicate this yearbook to the advertisers of this and surrounding communities. We could not publish our yearbook without the support given us by the merchants in the form of advertising. Also we would have to charge the students more when they purchase their yearbook.

We would like to take this opportunity to show our appreciation to our advertisers by dedicating our 1967 yearbook to them.
